

Value-added training.

Affordable testing and training, designed for you,
to ensure everything works as planned.

Central Ohio's best value in IT classroom training

Platform Lab provides two comfortable IT training classrooms in Central Ohio.

The Platform Lab Training Room offers a quiet, secure 16-seat classroom space
With up to date hardware, hardwired and wireless Internet access, 17" LCD monitors
and 36" student stations.

Each of the Platform Lab IT training rooms have an instructor station with a workstation
a XGA HD projector, a coffee station, a refrigerator, three whiteboards, a printer and its own
thermostat.

The classrooms are located at TechColumbus 1275 Kinnear Rd in Columbus and
the Dublin Entrepreneurial Center 7003 Post Rd in Dublin.

The Platform Lab Training Room is available for \$500/day and set-up cost is just
\$100/hour, normal set up for a class is one hour.

Please contact Platform Lab at 614-675-3711 or info@platformlab.org to learn more
about the very best value for IT training classrooms in Central Ohio.
